Plant sizes

Plugs
Grown using an innovative cartridge plug system, these young plants have an extra strong root system.

Postiplants
A popular size for good reason. Plant parcels fit through most standard letterboxes. Size: 5-9cm.

Jumbo Plugs
Perfect for planting straight into baskets and other containers. Size: 5-11cm.

Garden Ready Plants
Despatched at the optimum time and usually before blooms have formed for better root growth and more vigorous displays.

Potted Plants
Available in sizes from 7cm, these well-established plants can be planted straight out and into their final positions.

Bulbs

Bulb sizes quoted in centimetres refer to the circumference of bulbs. Bulb and root size 1 are the top size available. All bulbs are sourced from cultivated stock.

Dear Mr Sample,

September heralds the arrival of shorter days and cooler weather, but there's still time to enjoy homegrown harvests from the vegetable patch.

A wide selection of our best selling vegetable seeds are on pages 56-63.

It's also the perfect time to fill your containers with colourful winter pansies and plant your spring flowering bulbs for next year.

We have highlights of our favourite new bulb varieties on pages 6-7, including the showy Tulip Ice Cream Collection.

It's impossible to fit everything into one catalogue so be sure to visit www.suttons.co.uk to view our full range of plants, seeds and gardening essentials.
